SUBJECT: Air Force Guidance Memorandum - Pets in Military, Government-Managed and Privatized Family Housing (Change to AFI 32-6001)

This is an AF Guidance Memorandum immediately changing AFI 32-6001, *Family Housing Management*. Compliance with this Memorandum is mandatory. To the extent directions are inconsistent with other Air Force publications the information herein prevails, in accordance with AFI 33-360, *Publications and Forms Management*.

This policy standardizes pet policies across the Air Force and is compatible with policies of other Services. The Installation Commander ensures residents in housing comply with applicable federal, state, local, and foreign country laws, installation-specific requirements for pet ownership, registration, control and vaccination, and adhere to the following guidelines. Installation Commander authorities, relating to the security or mission of the installation, the health, welfare, safety or security of persons on the installation or the maintenance of good order and discipline as established in law, regulation or military custom, remain unchanged. Pending and future project solicitations and project documents should require privatized housing project owners to support government standards and incorporate the standards into tenant leases to the extent consistent with applicable state and local law. For closed projects, the Air Force should coordinate with project owners in an attempt to incorporate the standards into project documents. Commanders address local requirements and processes in the base supplement and Housing Brochure.

a. Residents may not board dogs of any breed (including a mixed breed) that are deemed "aggressive or potentially aggressive," unless the dog is a certified military working dog that is being boarded by its handler/trainer or approval is obtained by the Installation Commander in writing. For purposes of this policy, aggressive or potentially aggressive breeds of dogs are defined as a Pit Bull (American Staffordshire Bull Terrier or English Staffordshire Bull Terrier), Rottweiler, Doberman Pinscher, Chow and wolf hybrids. Prohibition also extends to other breeds of dogs or individual dogs that demonstrate or are known to demonstrate a propensity for dominant or aggressive behavior as indicated by any of the following type of behaviors:

- (1) Unprovoked barking, growling or snarling at people approaching the animal

- (2) Aggressively running along a fence line when people are present
- (3) Biting or scratching people
- (4) Escaping confinement or restriction to chase people

b. Residents may not board exotic animals such as, but not limited to, reptiles, rodents (other than hamsters and guinea pigs), ferrets, hedgehogs, skunks, rats, raccoons, squirrels, pot bellied pigs, monkeys, arachnids, or any farm animal.

c. Pets must be secured with leashes or under positive control while outdoors, except in fenced patios and yards. Pets must not be left tied or unattended in exterior appurtenances or unfenced yards or allowed to run loose outside fenced yard.

d. Pet owners must maintain current immunizations on all pets. Dogs and cats are required to wear a collar or harness with current rabies and distemper vaccination attached.

e. Pet areas must be cleaned regularly to control and prevent vermin infestation. Pet feces must be picked up daily or immediately if the pet evacuates outside the patio or yard.

f. Operating a commercial kennel is prohibited.

g. For government controlled housing, the Installation Commander retains the authority to determine the following:

- (1) Number and type of pets allowed per household
- (2) Termination of residency for failure to remove aggressive or unruly pets

h. Project Owners determine the following in privatized housing:

- (1) Additional requirements for tenant liability insurance
- (2) Number and type of pets allowed per household
- (3) Termination of tenant lease for failure to remove aggressive or unruly pets
- (4) Charges for pet damages

This policy is effective immediately. Residents currently boarding pets prohibited by this policy may continue to board the pet until they terminate housing unless the pet demonstrates a propensity for behavior described in paragraph a. or if resident is in violation of their current Lease Agreement.
