NEWS & STORIES

Our President's Message

Memorial Day is a time to remember and honor our fallen service members who died in service to our country. This does not mean we spend the weekend in mourning those who made the ultimate sacrifice, rather we spend it in remembrance while doing things we love with the people in our lives we cherish the most. This is a weekend to celebrate our freedoms while thanking those men & women who fulfilled their oath to serve this country with their lives. We honor their memory and sacrifice through our gratefulness.

The Hunt Military Communities Team is consistently in awe of your selfless service, and we do not take for granted the dangers of your career. This Memorial Day we will all take time to reflect on the lives lost in service to this country and celebrate them with our remembrance & gratitude. We are thankful for your service each day, but weekends like this remind us just how special your oath to this country truly is.

Semper Fidelis,

Brian Stann
President and Chief Executive Officer
Hunt Military Communities
