OUR CEO'S MESSAGE

Dear HMC Residents,

By now, you should have received your link to the Tenant Satisfaction Survey. I encourage you to complete this short survey as your feedback is incredibly valued. The collective feedback will help us understand areas of opportunity to improve your living experience, while also gaining feedback on the areas you enjoy so we can give that greater focus.

Recently, we completed focus groups in each of our communities. Thank you to the residents who participated and shared their candid feedback. We have identified areas of opportunity from your sentiment that are being prioritized for 2023. We look forward to continued dialogue with our residents on how we can collectively continue to make living on base a great experience.

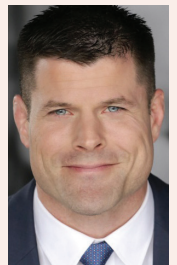

On November 11th, we will honor our many veteran residents who unselfishly answered the call and served our great nation in the name of duty, honor, and country. The entire HMC team is grateful and proud of their many sacrifices, and we want to be the first to thank you and your families for your service to our nation.

Lastly, we want to wish you all a Happy Thanksgiving. I hope you can all make meaningful memories with your loved ones, and for those families with a deployed service member, we are both grateful and humbled by the sacrifices your family makes for all of us.

As always, thank you for allowing us to serve you.

Semper Fidelis,

Brian Stann

We can put you on tentative notice until you have received confirmed dates.

Dia De Los Muertos (Day of the Dead) – Celebrate the Life lived

This holiday is often confused with Halloween, partly due to the closeness of the dates (Halloween, October 31st, and Día De Los Muertos, November 1st – 2nd) and the representation of symbolic skulls, but they are nothing alike. Día De Los Muertos, or Day of the Dead, is a 2-day traditional Hispanic celebration where it said that the veil between the real world and the spirit world is opened, and our deceased loved ones can come back and visit us. During the first day of the celebration (November 1st), the children can come back and visit as little angels, and the second day is for the adults to show up for the actual celebrations. Family members spend days and even weeks preparing for this holiday tradition by creating altars, decorating burial sites, and cooking the foods and snacks loved by the deceased member. During this time, there is no crying or grieving; rather, it is marked by music, dancing, and colorful flowers and food. These two days are reflective and lively, where the living and their passed loved ones can celebrate the life they lived with all their favorite people and things. One of the most common traditional representations of Día De Los Muertos is the sugar skulls, also called Calaveras; These skulls are not the regular, grim, black-and-white ones you see on Halloween but are instead decorated with colorful paint, glitter, beads, and all smiles. Join us as we create our own Calaveras in remembrance of those who are no longer with us.

GOOD NEWS STORIES

National Night Out 2022 was another successful event as we handed out burgers, chips, and drinks to everyone who came out. It was amazing to see how our law enforcement officers on and off-base keep us safe every day.
