

## PATRIOT ESSAY CONTEST WINNERS

The Hunt Military Communities Foundation tasked military children to write what it means to show their patriotism as a way to honor 9/11, those who lost their lives, and those who still feel the pain of this day. We are proud to recognize the children who thoughtfully expressed their feelings, Congratulations to our 2023 Essay Winners:

- Kelsyn S. from Pearl Harbor
- Harrison L. from Maxwell
- Eden V. from Little Rock
- Norman Z. from Keesler
- Natalie K. from Pearl Harbor
- Alyssa T. from MCBH
- Justin D. from Fort Sam Houston
- Eran H. from Banker

## OCTOBER IS ENERGY ACTION MONTH

Get ready to power up and make a difference in our community! October is officially Energy Action Month, and we're excited to invite you to join us in taking meaningful steps towards a more sustainable and energy-efficient future.

Every small action counts, and together we can create a lasting impact on our environment and on reducing energy costs. Here are some simple yet powerful ways you can participate in Energy Action Month:

- 1) **Turn Off and Unplug:** Be mindful of turning off lights, electronics, and appliances when not in use. Unplugging chargers and devices can make a significant difference in reducing energy consumption.
- 2) **Optimize Thermostat Settings:** Adjust your thermostat to conserve energy. Lower the temperature in cooler months and raise it in warmer months to save on heating and cooling.
- 3) **Conserve Water:** Report any leaky faucets and take shorter showers. Every drop saved helps in conserving this precious resource.
- 4) **Switch to LED Lights:** Replace traditional light bulbs with energy-efficient LED bulbs. They last longer and consume less electricity.

Join us in this exciting initiative to make a lasting impact on our environment and reduce our collective carbon footprint. Together, we can create a more sustainable future for our families and generations to come. For more energy conservation tips, visit <https://www.huntmilitarycommunities.com/resident-resources>. Let's shine a light on energy efficiency and show our neighbors what we can accomplish together!
