

COMMUNITY DIRECTOR UPDATE

JANUARY 2, 2025

COMMUNITY NEWS

Happy New Year! We're excited to welcome 2025 and look forward to another wonderful year with our community. As winter is now upon us, we kindly remind all residents to follow our winterization tips to help protect your home and keep it comfortable during the colder months. Be sure to disconnect garden hoses, keep your thermostat set to at least 65°F, and open cabinet doors to allow warm air to reach your pipes. Stay warm and safe this winter, and let's make it a great year ahead!

COMMUNITY UPDATE

A friendly reminder that holiday decorations should be removed within 10 days after the holiday has passed. This helps keep our community looking neat and tidy for everyone. Thank you for your cooperation!
