MAINTENANCE TIPS

Holiday Decoration Guidelines

As the holiday season approaches, here are some important guidelines to keep in mind for decorations and lighting:

- **Placement:** Decorations and lighting must be placed below the edge of the roof gutter.
- **Attachment:** Use only plastic clip-on hooks to attach decorative lighting, garlands, etc. Staples, nails, screws, or other mechanical fasteners are prohibited. Attaching anything to vinyl siding is also not allowed.
- **Wreath Hangers:** Over-door wreath hangers are not permitted, as they may damage doors or frames and affect proper door seals.
- **Electrical Safety:** All electrical decorations must be unplugged when you are not home.
- **Timing:** Holiday decorations may be put up starting after Thanksgiving and **must be removed** by Saturday, January 10th.
- **Outdoor decorative lights:** All outdoor decorative lights must be turned off by midnight and are not authorized during daylight hours.

Please note: All decorative lighting **must be UL or FM approved** for indoor or outdoor use and is subject to the discretion of Laughlin Family Housing.
