Your voice matters. Together, we can make Laughlin Family Housing an even better place to live, work, and play! Please call our office at (830) 291-8550 for details.

## MAINTENANCE TIPS: A CLEANER, FRESHER HOME

- **Improve Ventilation:** Use exhaust fans in the bathroom, kitchen, and laundry room. Open windows when the humidity is low to let in fresh air.
- **Dry Surfaces Quickly:** Wipe walls and shower doors after cleaning or bathing to prevent moisture buildup.
- **Control Humidity:** Keep indoor humidity between 30–60% with a dehumidifier or air conditioner.
- **Increase Airflow:** Keep closet doors open and leave a few inches between furniture and walls.
- **Prevent Moisture Accumulation:** Hang towels and bathmats to dry fully, and spread shower curtains open after use.
- **Clean Regularly:** Wipe surfaces often with soap and water, white vinegar, or approved cleaners to maintain a healthy home.

By incorporating these tips, you can help create a more comfortable and well-maintained living space!
