COMMUNITY NEWS

School is out!!! Check out the Laughlin Youth Center for summer events and schedule.

Community Trash Reminders

- Trash bins must be returned to proper storage by 2000 hours on the day of collection.
- Proper storage is considered along the side of the house in a designated storage area, or as otherwise instructed by the Community Management Office.
- Recycling containers must be properly stored with trash bins.
- Recycling may not be picked up with regular trash collection.

MAINTENANCE TIPS

Tall grass and weeds can harbor venomous snakes, hide dangerous debris, and trigger severe seasonal allergies. Mowing is a highly effective way to suppress weeds and reduce pest habitats, such as ticks and mosquitoes, by eliminating the tall, dense vegetation where they hide.
