

COMMUNITY DIRECTOR UPDATE

JULY 1, 2026

COMMUNITY NEWS

School is out!!! Check out the Laughlin Youth Center for summer events and schedule.

Community Trash Reminders

- Trash bins must be returned to proper storage by 8:00 PM on the day of collection.
- Proper storage is considered along the side of the house in a designated storage area, or as otherwise instructed by the Community Management Office.
- Recycling containers must be properly stored with trash bins.
- Recycling may not be picked up with regular trash collection.

MAINTENANCE TIPS

Tall grass and weeds can harbor snakes, hide debris, and trigger severe seasonal allergies. Regular mowing suppresses weeds and reduces habitats for pests, such as ticks and mosquitoes, by eliminating tall, dense vegetation where they hide. Be sure to empty buckets, planters, and other containers after rain to help minimize mosquito breeding areas around your home.
