

COMMUNITY DIRECTOR UPDATE AUGUST 1, 2026

COMMUNITY NEWS

IMPORTANT RESIDENT UPDATES AND MAINTENANCE REMINDERS

- **Water Operations Update:** The City of Del Rio has returned to normal water operations. Stage II water restrictions were lifted effective Friday, July 10th.
- **Housing Area Reminder:** Recreational vehicles (RVs), trailers, and motorcycles are not permitted in the housing area. Please ensure these vehicles are stored in approved locations.
- **Lawn Care & Mosquito Prevention Reminder:** Tall grass and weeds can harbor snakes, hide debris, and trigger severe seasonal allergies. Regular mowing helps suppress weeds and reduces habitats for pests such as ticks and mosquitoes by eliminating tall, dense vegetation where they hide. To help minimize mosquito breeding areas around your home, be sure to empty buckets, planters, and other containers after rainfall.
- **HVAC Reminder:** Please remember to change your HVAC filter at least every 90 days to help maintain indoor air quality, improve system efficiency, and reduce unnecessary wear on your unit.

YARD OF THE MONTH PROGRAM

Each month, we will recognize one resident whose yard stands out for its pride, creativity, and curb appeal. Our first **winner will be selected on Saturday, August 15th**, and will receive a \$50 gift card along with the coveted Yard of the Month title. In recognition of local conditions and the importance of water conservation, yards will be evaluated based on:

- Upkeep and maintenance
- Overall appearance and curb appeal
- Creative landscaping and décor

We look forward to celebrating your efforts!
