COMMUNITY NEWS

Trash, Recycling, & Yard of the Month

Please remember that all trash and recycling containers must be returned to their designated storage location by 8:00 PM on collection day. Approved storage areas include the side of your home or another location designated by the Community Management Office. Recycling collection schedules may differ from regular trash pickup, so be sure to follow the appropriate collection day for each service.

The Yard of the Month program is in full swing! The selected winner will receive a \$50 gift card and neighborhood recognition. Keep up the great work and you could be our next winner!

Keeping your lawn mowed helps create a safer, cleaner environment for your family and neighbors while also reducing seasonal allergens. Tall grass and overgrown weeds can attract pests such as mosquitoes and ticks, conceal debris, and even provide hiding places for snakes. Stop by the Self-Help Center to borrow a mower and other lawn care equipment.
