

LAUGHLIN FAMILY HOUSING NEWS & STORIES

Community Updates

During the month of April, 32 benches were replaced or repaired and will continue throughout the month of May.

Tree trimming and removal has continued, with 4 trees removed. If you see trees in need of attention, please contact the office.

May Flowers and Summer Picnic

Join us May 17th between 11am-1pm for our May Flowers giveaway and sit down and enjoy our Summer Picnic. We will have FREE mulch, flowers, and grass seed available for pick up. Please remember availability is limited, so get here soon to have your pick!

Tenant Reps

In efforts to better help our residents, Tenant Representatives are also available and can be reached via email. Be sure to check your email for the information of your Tenant Representative. There are still streets available that do not have a representative and if you are interested please contact the office where more information can be provided.

We are actively planning for the upcoming PCS Season!

Please remember we require a minimum of a 30-day written notice to be completed in our office. If you are able to provide us with a date earlier than the required 30-days, it will greatly assist us in finding homes for future families. If you have already submitted your written 30 day Notice to Vacate in our office, Thank you!! If you have not, we would really appreciate you do so as soon as you are able to.

Caring for People Forum

The Caring for People (CfP) Forum is on Tue, 21 May 19, 1730-2030 at Club XL. This Quality Of Life (QoL) provides installation leadership with valuable and timely information on issues that directly impact the Team XL community. A plan of action is then developed to address the identified issues and are worked by the Community Action Team (installation helping agencies).
