LAUGHLIN INSIGHTS

NEWS & STORIES

Spring is in the Air

Our President's Message

April is the Month of the Military Child and during this month, Hunt Military Communities celebrates the youngest members of our communities. Military children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods of time. We are proud to acknowledge and support the tremendous strength and resiliency of our military children, along with the sacrifices.

This year, for the third time, we are hosting our Hunt Little Heroes program. Encourage your children to share stories of how they have been a hero and positive influence in their community. Applicants are asked to submit a 300-word essay, or a video telling their "Hero Story." All applicants will receive a complimentary Hunt Little Heroes cape, mask and challenge coin. Three winners will receive cash prizes and matching donations to the charity of their choice. For more information, please visit <https://www.huntheroesfoundation.org>. From all of us here at HMC, thank you for your service and sacrifices.

Sincerely,
Brian Stann
President & Chief Executive Officer
Hunt Military Communities

As Spring gets underway please remember to water your grass. Watering times are 6am-10am and 6pm to 10pm. Don't forget our Self Help, located across the Community Center offers free lawn care equipment (lawn mowers, weed eaters, shovels, seed spreaders, rakes) check outs. Equipment check outs are available Monday through Friday from 8am to 5pm. Check out times vary per item and are on a first come first serve basis.
